SKILL BUILDERS

What is the definition of homelessness? Who are the homeless, and how many people are homeless in the United States? What are some causes of homelessness?

Invite a speaker to come and talk to your group about Homelessness. Have them talk about whom homelessness affects the most and how it could be prevented. Also ask them what options homeless people have.

Invite a speaker from a domestic Violence program, to come and talk to your group about Domestic Violence and what it is. Have them talk about how Domestic Violence can be prevented and the option a person has if they are a victim of domestic violence. (Note: 2% of homeless women state they are homeless due to domestic violence.)

How does Domestic Violence sometimes contribute to Homelessness?

What is Welfare and how does it help homeless and underprivileged families? What are food stamps? How do they work?

Make a collage of different homes from all over the world. How are they similar and how are they different? What does our homes provide for us? Why do people need houses so badly?
