

GIRL SCOUT COUNCIL OF COLONIAL COAST

Our Own Council's *U.S. Air Force Pride Try-It*

GUIDELINES: Complete the starred (*) activity, one from each Leadership Key: Discover, Connect, Take Action, and at least one other activity listed under any Key.

*Invite a member of the United States Air Force to visit your troop and interview him/her about their role in the Air Force. Ask him/her to bring a globe or a map and show you where he/she has traveled. Ask him/her what it is like to live on an Air Force Base and how is it different from civilian life.

DISCOVER:

- 1) Identify and describe or draw the following aircrafts: Fighter, Transport, Bomber, Tanker, and Intelligence collecting. What similarities and differences do you notice?
- 2) Listen to and learn the Air Force song. Try searching online or at the library.

CONNECT:

- 1) Visit an Air and Space or Flight or Aircraft museum. Take the tour and try different activities. List and discuss, with your troop, contributions the U.S. Air Force has made to our society.
- 2) Take a tour of an Air Force Base. Count the number of aircrafts you see and draw a picture of one you like.

TAKE ACTION:

- 1) Attend an Air Force air show. Document with photos or describe to your troop or another Girl Scout what you heard, saw and learned at the show.
- 2) Tour an Air Force museum, monument, memorial, or cemetery. Find out what volunteer opportunities are available for you or your troop? Could your troop do a flag ceremony on location?
