

ARIZONA TRY-IT FOR BROWNIES

Our state's flag, heritage, parks, national monuments, cacti, and out-of-doors are unique to Arizona. Taking care of our state is important to all of us. What better way to learn and remember the great State of Arizona. The patch can be earned by Brownies who complete the following requirements:

1. Recognize the State flag and what it symbolizes.
 2. Visit a state park or national monument. Draw what you saw.
 3. Do a project concerning Native Americans, such as make Indian fry bread or learn a Native American dance or song.
 4. Learn about and recognize five (5) of Arizona's cacti and in what part of Arizona you would find them (high or low desert).
 5. Learn about water conservation and why it is so important in Arizona.
 6. Take a hike in Arizona and make a list of things you feel make Arizona special.
- *Something Extra: Do a service project that would help save Arizona's environment.
