

BROWNIE GIRL SCOUT AIDE TRY-IT

Do four of the six activities to complete the Brownie Girl Scout Aide Try-It.

1. Attend a Daisy Girl Scout troop meeting and learn what they do at their meeting. Teach the girls the Girl Scout sign, handshake and quiet sign if they do not already know them. Tell them about the Girl Scout birthday.
2. Make and share a snack with a Daisy Girl Scout troop. Show them some of your Try-Its and explain some of the activities you did to complete them. Teach them a game from the "Play" Try-It. Teach *The Brownie Smile Song* and *Make New Friends* or other Girl Scout songs younger girls would like.
3. Help a Daisy Girl Scout troop learn about the Girl Scout Promise and Law. Demonstrate a simple flag ceremony and practice it with them.
4. Help Daisy Girl Scouts learn about bridging. Share your bridging experience. Help the Daisies make something for their ceremony such as a centerpiece, name tags, decorations, or invitations.
5. Invite a Daisy Girl Scout troop to your Brownie Girl Scout troop meeting or a special program activity you have planned.
6. Participate in a Daisy Girl Scout bridging ceremony.
