

Fun at the Fair

Brownie Try-It

1. Go to a fair. Go on a ride. Eat fair food. Walk through the exhibits.
2. What is 4-H? Talk to someone who is exhibiting at the Fair. Are they a 4-H member? What do they like about 4-H and the fair?
3. Exhibit something at a fair.
4. Walk through the animal exhibits at your fair. How many different kinds of animals did you see? Talk to someone exhibiting an animal about how they care for their animal, what it eats, etc.
5. Visit your fair's petting barn or petting zoo. Which animal is your favorite?
6. What is your favorite carnival or amusement park ride? Talk to other members of your Troop--which rides do they like best? Decide how could you make a favorite ride even safer and/or even more fun?
7. Support a fair--participate in a fair clean-up, beautification, or building project.
